

Real Estate Professionals Referral Group

As a part of the Real Estate Professionals Referral Group you will not be selling real estate. You will be able to refer buyers and sellers to our Century 21 Real Estate Professionals full time agents and generate referral fees. Because you are not actually selling real estate yourself, you will not need to attend sales training, pay Association or MLS fees and E&O insurance premiums will not be collected.

You will simply provide the contact information for your buyers and sellers to the Century 21 Real Estate Professionals relocation director. The referral will be tracked with our LeadRouter® system until closing. You will receive 60% of the referral fee once the transaction closes. You can generate referral fees on residential sales, commercial sales and property management rentals.

By joining the Real Estate Professionals Referral Group you will receive the following benefits:

1. The ability to work part-time from home for additional income.
2. Keep your real estate license active so you can earn referral commissions.
3. Avoid paying MLS fees.
4. Avoid paying Orlando Regional REALTOR® Association fees
5. Referral Group email address to communicate with the company.
6. LeadRouter® system in place to make sure your referral closes.

I have read and agree to the policies and procedures of the Real Estate Professionals Referral Group.
